PRINCIPAL'S MESSAGE

One of the most serious problems in high school to-day is the student's choice of a course in high school and a career to follow. Most students who reach Grade IX nowadays, go on to high school. This trend is much more common now than it was a number of years ago when more jobs were available.

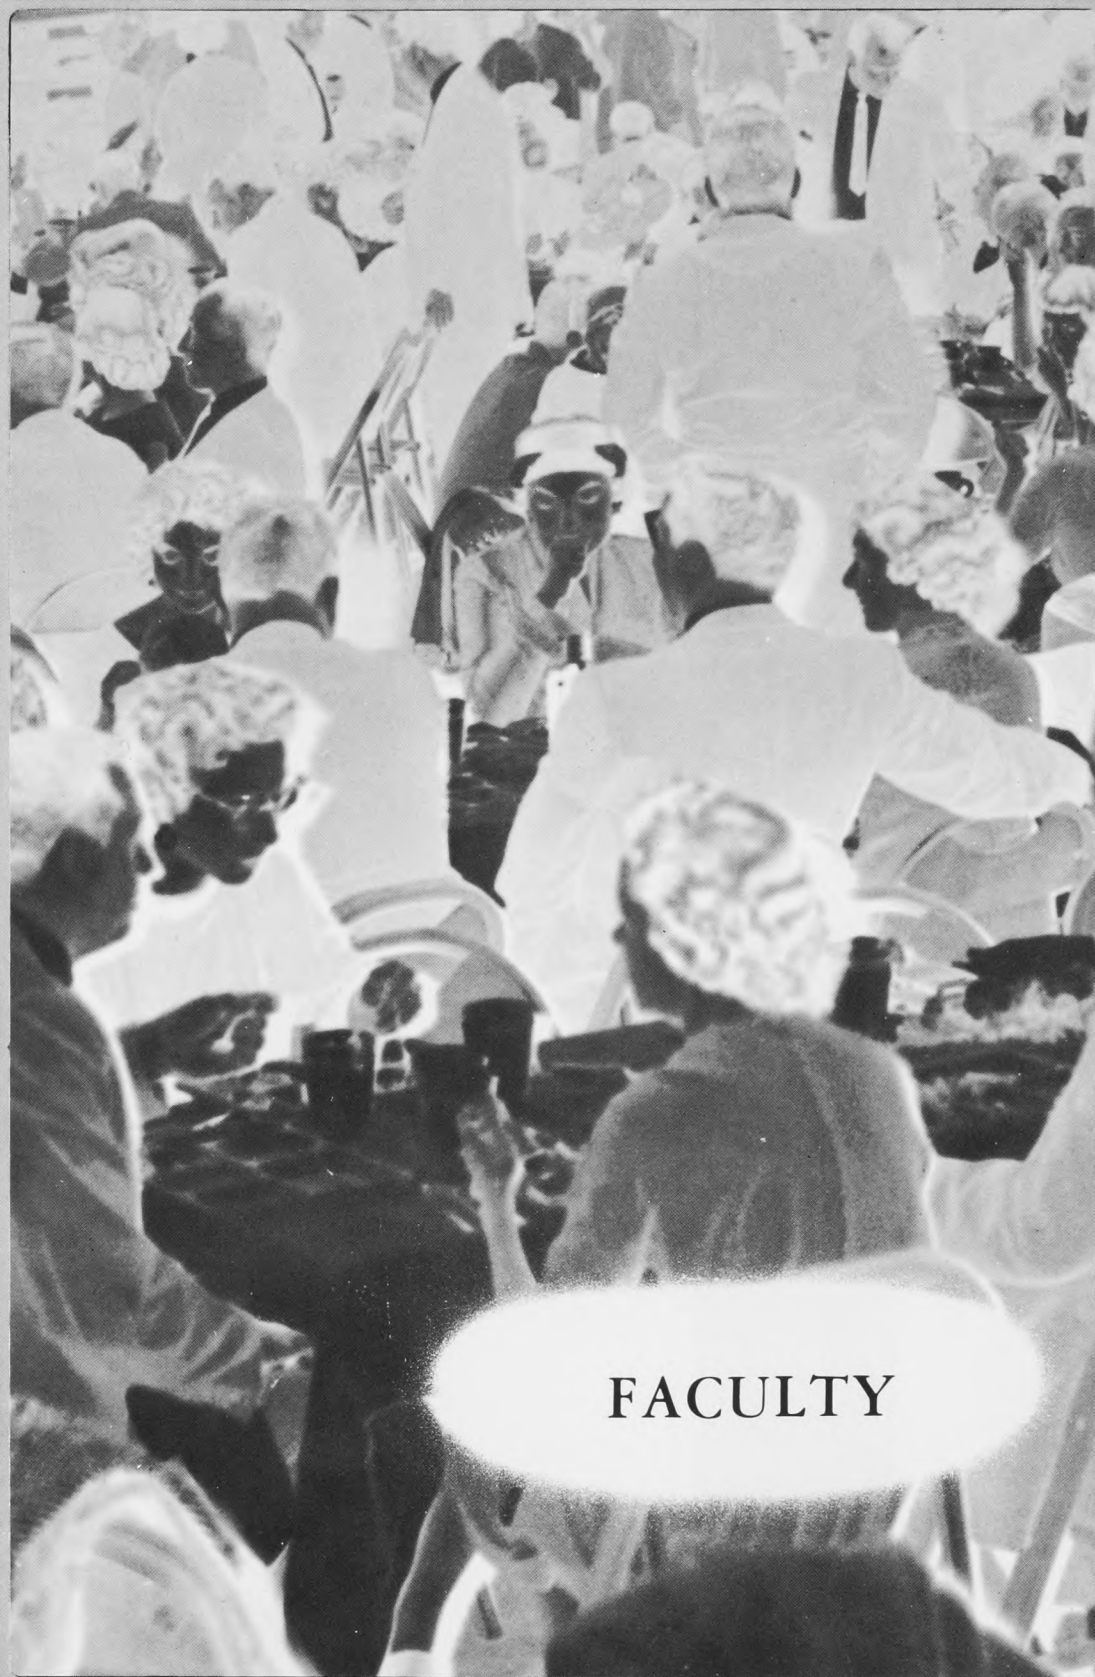

The result is that now we have a greater number of pupils with a greater variety of abilities and interests. When we had a few pupils going on to high school, most of them were interested only in University. Now our pupils are interested in many careers. It is now necessary that a very careful choice of his or her course and career. This choice should be prompted by an honest estimation of the student's ability. The person concerned should not be unduly modest, but on the other hand should not indulge in wishful thinking.

A discussion with Teachers, Principals and Guidance Counsellors will help a student arrive at a fairly precise evaluation of their potentialities.

It is most important that with all the professions, trades, technical work, skilled and semi-skilled work available now that as wise a choice as possible be made.

My warmest greetings go to all our Yearbook readers and my best wishes to those who are leaving our school this year.

J. E. Scarrow, Principal.

LITERARY

FIRST PRIZE-POETRY

Solitude

Seclusion is a horrid state.
Loneliness makes the heart forsake
The world, as protection 'gainst
The distant, cruel, despicable
Race of mankind. Yes, my inaccessible
Desert
Sequesters me from the harshness of life.
My peace is separate, isolated,
Where I can retire, removed
By distance, unto myself.

SECOND PRIZE-POETRY

The Moose

This monarch of the northlands,
This mighty king of kings;
His shiny magnificent body stands
On limbs like young saplings.
The massive horns, his royal crowns,
Stretch up into the sky,
But as he lopes through snowy downs
He blinks a wary eye,
And searches for his mortal foe -
The gaunt, grey timber wolf.

FIRST PRIZE-ESSAY

The Absurdities of English Spelling

Surely there can be only one thing worse than learning to speak our English language, and that is trying to spell it. The English language and its spelling have over the years managed to befuddle, bewilder, and exasperate untold multitudes of people. As for myself, even after eleven years of schooling, I have not managed even a nodding acquaintance with the fine art of spelling.

How much easier it would be if there were only some rules that could be practically applied. Today's so-called rules are nothing more than a confused conglomeration of exceptions to the rules and exceptions which are exceptions to the exceptions. Sound confusing? So is the spelling! Anyone, even I, can recite the little rule "first the I and then the E unless preceded by a C." Henceforth I shall continue to write NIEGHBOUR when referring to the wonderful person who lives next door. Nor is this an isolated case. A list of such flukes could assume considerable length.

A good number of words bring to my mind the ditty "I met a man who wasn't there." The English language abounds in silent letters. The letter "K" and the group "OUGH" stand very guilty of this inexcusable crime. Why can't I spell "knock" as "nock" and "through" as "thru"? Why not? That would be too clear, concise, and altogether too simple! Would it really be asking too much for a language to be spelt as it sounds or sounded as it is spelt?

One question, please. Couldn't the spelling of the same sounds be somewhat clarified? Why roam, Rome, and comb? Why not roam, Roam, and coam or Romb, romb, and comb? Trying to find the right combination of letters to produce the required sound is vaguely reminiscent of trying to find one special article in a rummage sale!

Over the years, employing a great deal of mutual toleration, spelling and I have managed to survive, each to the obvious detriment of the other. While I struggle hopelessly with such monstrosities as antidisestablishmentarianism, I cherish only one golden hope. Science predicts that in the future all human communications will be via tape recorders and mental telepathy. I can only add a fervent and expectant, "Amen!"

SECOND PRIZE-ESSAY

Modern Chivalry

The magazine article "Chivalry is Dead" arrested my attention. It was a very sad story and by the time I had finished it, I was certain that it was a history of some extinct species called "woman" which had died out because of an environment averse to its existence. Emotionally stimulated to show that the author was all wrong about the situation, I determined to set the record straight.

My first chance to show the chivalry of a true, red-blooded American male presented itself at the theatre that evening. As I entered the lobby for the second showing of a foreign film, a poor old lady was obviously having a terrible struggle to remove her heavy fur outer apparel without letting it fall. Gallantly, like Sir Galahad, I went forth to rescue the damsel. Desperately I tugged at the coat and was amazed at the tenacity with which it clung to her. To my disgust, another examination of the situation revealed that she was actually trying to counteract my help. When she did not understand my explanation, it dawned on me that, perhaps, she had never met such a chivalrous young man before. With new determination, I redoubled my efforts to help her out of her dilemma. Too late, I realized that she had been to the first showing and was preparing to leave the building.

The next day was one of exhausting work. At a street corner without a traffic light, rush-hour traffic was seriously impeding my efforts at crossing the street. It was then that I envisioned another opportunity to display my nobler self. My spirits soared. There was a lady with a carriage. She was in the same predicament I was in, for she had a look of despair at the endless traffic. In a flash I had analyzed the situation and proceeded to transport her carriage. I ignored her protests. After all, it wasn't far out of my way and would take little time. Her talking, which subsequently rose to shouting, continued. I, however, on my cloud of chivalry, was too busy directing traffic to notice her thanks. It wasn't until I had navigated half-way across the stream of traffic that it registered in my brain that it had not been her desire to cross the street, but that she had been waiting for her husband.

Tired, and thoroughly disgusted with myself, I boarded the bus to go home and get some sleep. As I sat there, my dazed consciousness perceived that a corpulent woman had dropped a purse in my vicinity. Determined not to make a fool of myself again in the hopeless game of chivalry, I explained with a sigh, "Chivalry isn't dead, lady. I am!"

ACTIVITIES

PRESIDENT'S MESSAGE

I would like to take this final opportunity to thank the students of Miles Mac for the honour you have bestowed on me this past year. I can imagine no finer way to complete my high school education than to be President of the Student Council. What has been accomplished this year has not been on my account, but has been originated and executed by our enthusiastic class Presidents: the Student Council. Some of the people who shouldered large portions of the load were the committee chairmen: Stan Moroz, Ken Dare, Joan Wilczynski, Richard Sallee, Pat Charter, and Michael Dunbar. Also Treasurer Barbara Wilkinson, Secretary Bev Edwards, and Vice-President Alvin Barrett. Invaluable were Hugh Stephens and Eleanor Berezuk for their assistance with the Kaleidoscope. Without doubt, also I must mention Mr. Meadows, the council's teacher

sponsor, and all those people who helped to plan and stayed to clean up after our social functions. These are some of the people who helped to make Miles Mac, Miles Mac.

To those of you who have another year or two years to complete of high school, I can only wish you every success. But don't forget, what you do today counts tomorrow. Strive to achieve your peak performance in study, in sports, and in your personal life; for tomorrow you shall have to strive earnestly to succeed in life.

Since probably none of us upon graduation will step into a business of our own, we undoubtedly will be employees at one time or another. These Ten Commandments for an employee were written by the director of a Chinese bank in Malaya. I think they not only apply to the Eastern world but also are aptly suited to the modern world of our Western society: (1) Don't lie. It wastes my time and yours. I am sure to catch you in the end. (2) Watch your work and not the clock. A long day's work makes a long day short, and a short day's work makes my face long. (3) Give me more than I expect, and I will pay you more than you will expect. I can afford to increase your pay if you increase my profits. (4) Keep out of debt. You owe so much to yourself that you cannot afford to owe anybody else. (5) Dishonesty is never an accident. (6) Mind your own business, and in time you will have a business of your own to mind. (7) Don't do anything here that hurts your self-respect. The employee who is capable of stealing for me is capable of stealing from me. (8) It's none of my business what you do at night, but if dissipation affects what you do next day you will last half as long as you hope. (9) Don't tell me what I would like to hear, but what I ought to hear. I don't want a valet for my vanity, but for my money. (10) Don't kick if I kick. If you are worth correcting, you are worth keeping.

Lastly, to those graduating, I sincerely trust that your future life will unfold as you have dreamed and as you hope. May your disappointments be few and your pleasures many. I hope that you attain all your goals in life. But let us not forget, whether life be generous or whether life be cruel, that life is what we make it.

Dennis Martin.

The Student Council of Miles Macdonell offers the students many activities in which they can participate.

The objectives of this organization are to provide opportunities to practice active democratic living outside of school hours; to provide opportunities for the discovery of special qualities and abilities; to stimulate student interest in the school and to help to develop school morale and spirit.

The Student Council sponsors many of the student activities. The highlights of these for 1961-62 are: dances including the very successful Freshie Dance and the Sweetheart Swirl, basketball games, purchasing cheerleader uniforms, organization of the Glee Club, Science Club, Yearbook and Newspaper Staff, and of course Kaleidoscope and Closing Exercises which are not likely to be soon forgotten.

We'll also long remember those Tuesday noon hour meetings. The President Dennis Martin and Secretary Bev Edwards together organized the smoothly functioned meetings. The fellowship of the meetings helped to give the students valuable lessons in running a democratic organization.

EDITORIAL

The objective of the Yearbook staff has been to include within the covers of the Macadonian as much as possible of the school year 1961-62. We hope that this takes in all the big events and many of the small ones, and will serve to remind you, in future years, of "school days 1961-62". Perhaps as you leaf through this book in later years conversation will follow the theme - Do you remember... the afternoon we

listened to Colonel John Glenn's landing... the day the large hose in the lower hall sprang a leak... practising for Closing Exercises in King Memorial Church?

The Yearbook staff did a fine job and I would like to thank them for their help throughout the year. I wish to extend special thanks to the friends who could always be relied upon in emergencies - who helped with the tremendous task of organizing hundreds of students for pictures - did last minute typing during the summer holidays. The work of the typists was appreciated by the Yearbook staff, as was the help of Mrs. Lee and the English teachers in preparing the Literary section.

Macadonian 1961-62 is the product of a combined and sustained effort.

Good luck and best wishes.

Bonnie McCallum.

SOCIAL COMMITTEE

FRESHIE DANCE Sept. 29, 1961

The purpose of the dance was to open the social doors of Miles Macdonell to welcome the freshies. Tradition, of course called for an initiation and the newcomers were put through a few paces for the senior students. Naturally the freshies had to wear all manner of queer clothing.

At about ten p.m. Judge Hugh Stevens arrived to "try" all freshies who were not properly dressed. Punishments for the "crimes" ranged from licking all day suckers to drinking cokes from baby bottles.

CHRISTMAS DANCE Dec. 1, 1961

As the title suggests the dance was of a festive nature. It was a last fling before Christmas exams set in. Decorations were done on the Christmas theme with red and white streamers, and candy canes. Prizes were given to winners of spot dances, statue dances and more spot dances.

Entertainment was supplied by a visit from Santa and some baton twirling by Judy Hughes. Some of the Dance Club members did an exhibition dance of the "Beer Barrel Polka."

SWEETHEART SWIRL Feb. 2, 1962

This was the most successful dance of the year. The gym was decorated with red and white streamers. A big red heart hung from the center of the gym and the walls were decorated with hearts and cupids. At approximately 10:30 all the contestants of Sweetheart queen paraded on the stage. Voted queen of them all was Beverly McCallum. Her two princesses were Linda Walker and Sandra Webster. Each contestant received a red rose. The queen and the princesses received gifts. The queen also received a bouquet and had the first dance with the President.

LAST LUAU March 30, 1962

This was the last dance of the year. Decorations were done on the Hawaiian theme. Entertainment was supplied by the Meadowlarks. A door prize was given. There were also prizes for novelty dances.

In conclusion of this social year at Miles Macdonell, we of the social committee would like to express our sincere thanks to the teaching staff who chaperoned the dances and to all those students who served on the committees. The social committee of this year have enjoyed planning your social function and sincerely hope that you enjoyed yourself.

KALEIDOSCOPE

Teas, operettas, and variety concerts are usual annual productions at most Winnipeg collegiates and Miles Macdonell is no exception.

This year, however, M. M. C. students and staff introduced a new idea, at least for this area. It was based on the theme "Horizons Unlimited" and combined all three types of productions into one major extravaganza known simply as "Kaleidoscope."

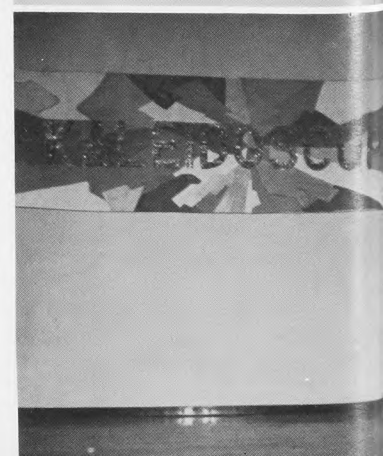

The result was an extremely fresh approach in which individual talent, group displays, choral arrangements, and refreshments were organized into a fast moving variety of entertainment guaranteed to satisfy the most discerning tea-drinker.

There was at least one real booster of Kaleidoscope - Bonnie McCallum. Bonnie won a school club bag in a "name the production" contest open to all students at M. M. C.

The big day was March 7. Some 3000 invitations were sent out. A tiny-tot playroom was supervised for the convenience of parents with baby-sitting problems.

Kaleidoscope was the climax of several hard weeks of preparation for large groups such as the Glee Club which sang selections from "The King and I." Many photographic techniques were demonstrated by the Camera Club and stimulating projects were put on by the Science Club.

Soloists, Highland dancers, the school orchestra, and individuals playing the accordion, guitar, piano, and trumpet were performing on stage at regular intervals announced over the PA system by members of the Oratorical Club.

AWARDS DAY

Miles Macdonell's Annual Awards Day in June formally recognizes those who have excelled in the fields of school citizenship, athletics, and academic study.

M. M. C.'s full enrolment was asked to complete awards questionnaires. A committee of students and staff advisors tabulated the results with the students scoring the highest number of points receiving the awards.

Students selected for the first time received a large green letter "M". Vice-Principal T. C. Meadows presented letters to the following: Audrey Baldoke, Alvin Barrett, Julie Bergner, Dwight Blix, Jean Bowcott, Carole Brewster, Ted Chmielowiec, Claire Dafeo, Richard Deeley, Shirley Dudek, Carole Findlay, Dennis Glavin, Arlene Goodman, Don Hunter, Dick Long, Sharon MacLeod, Ken Mailey, Peggy McCartney, Sharon Trinder, Vivian Reimer, Gayle Riddell, Richard Sallee, Diane Shaver, Cheryl Simmonds, Pat Sloan, Lyn Smith, Sharon Smith, Neil Taylor, Shirley Thiessen, Bob Tibbs, Nora Verhagen, Linda Walker, Joan Wilczynski, Joan Wilkinson, and Dianne Wright.

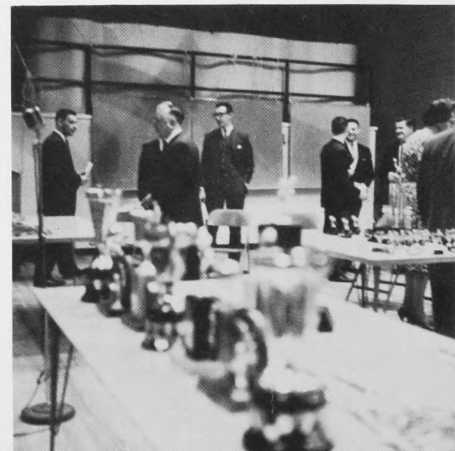

Crests in the shape of green bars engraved "61 M. M. C. 62" were presented to students who in a previous year had won their letter.

A little more honour is given to the winners of the bars as Bob Wilson of XI-9 read a brief summary of each student's activities for the 61-62 school year. Bar winners included: Diane Blakely, Michael Dunbar, Bev Edwards, Wayne Eliuk, June Hunter, Tom Lobay, Sharon Patek, Ed Smith, Hugh Stephens, Scott Stewart, Vicki Scrutton, Richard Titarniuk, Adrian Van Reede, and Barbara Wilkinson.

School principal J. E. Scarrow presented the highest award, the silver cup and bar, emblematic of at least two years of outstanding leadership in citizenship, athletics, and scholastic standing. To be eligible for this award the student must have previously won the letter and the bar and to have obtained sufficient standing this year. Mr. Scarrow spoke briefly on each winner as he presented the awards to Stan Moroz, Dave Confrey, Eleanor Berezuk, and Joyce Craven.

Physical educational director, L. Elfenbaum kept over 800 students sitting on the base of their spinal cords at Awards Day as he described and praised the outstanding contributions of the male and female winners of the Stryk Cup, withholding their names to the very end of his address. The Stryk Cup is presented to the top boy and girl athlete of the year at M. M. C., the highest athletic award in the school.

Miss B. Drewrys presented the Girls' Stryk Cup to Joan Wilczynski. Top male athlete of the year was Bob Jackson.

M M C

Under the teacher sponsorship of Miss Newton and Mr. Michalchuk the first edition of the Miles Mac Echo came out just before the Christmas exams. The edition to follow was something new for M. M. C. It was a one page edition called the Little Echo. This was to come out every day at 3 except the last one in each month. On that day a large regular edition was put out. In all, three big and four small editions were put out this term. Despite the difficulties in meeting deadlines, it could be considered a fairly successful year for the M. M. C. Echo.

PIONEER CLUB

The letters I. S. C. F. stand for Inter-School Christian Fellowship. Although this is only the second year for the club in our school, it is an international organization which originated in England.

Meetings were held every Thursday after four with many informative and revealing Bible studies and interesting speakers. Prayer meetings were begun halfway through the year which were held every Tuesday after four.

The club had about twenty members. We would like to thank our club sponsors, Mr. P. Brown and Mr. H. Dick for their support.

The Christian fellowship provided by this club has been to us and will be to others a truly wonderful and unique experience.

FIRST ROW: Sandra Johnson, Helen Johnston, Sharon Baerg, June Hunter, Secretary; Donald Brown, President; Marilyn Gordon, Vice-President; Patsy Gutknecht, Lynne Hawke, Tamira Friesen. SECOND ROW: Mr. Brown, Sponsor; Beverly Baitson, Lynda Powell, Werner Krahn, Edwin Kroeger, Nancy Gutknecht, Julie Bergner, Mr. H. Dick, Co-Sponsor.

MUNA

The Model United Nations Assembly has been sponsored by the Winnipeg Rotary Club for the past six years. The purpose of this assembly is to allow high school students to acquire a better understanding of the countries of the world situation. Each year pairs of delegates from high schools in Wisconsin, Michigan, Northwestern Ontario, Minnesota, North Dakota, Alberta, Saskatchewan, and Manitoba come to Winnipeg to represent all the nations belonging to the United Nations. In the weeks before the assembly is held, the delegates spend their time learning all they can about the country they will represent, for their speeches must put forth the ideas and opinions of the individual countries rather than those of the students.

This year Miles Macdonell's delegates to M. U. N. A., held April 27 and 28 at Grant Park High School, were Carole Findlay and Scott Stewart. Carole and Scott, counselled by history teacher Mr. R. J. Wilson, represented the tiny country of Nepal, a member of the Asian bloc.

The assembly itself was highlighted by various walkouts and protests, the most striking being a group of students who entered the assembly to represent the Separatist Movement of Quebec.

The assembly was brought to an end by a formal banquet at the Royal Alexandra Hotel where all the delegates and counsellors had the honour of being addressed by His Excellency Taha Carim, Turkish Ambassador to Canada.

Mr. Wilson, Carole Findlay, Scott Stewart.

ORATORICAL CLUB

The Oratorical Club was formed with the aim of giving each student interested in public speaking a chance to practise before others. The club's first project was the sending of a delegate to the district finals of the Manitoba School Trustee's Association public speaking contest. Our delegate was Bruce Jackson who placed second. The club inaugurated a type of radio at Miles Mac. The programming was to give a fair sprinkling of music, school club and sports news, as well as occasional special features. On the whole we felt that M. M. C. R. was quite successful. CJOB gave the club a tour of their radio station. The club held debates and the members not only debated, but also chaired the debates and did the judging. Mrs. Vensel and Mrs. Lee were the teacher judges. The club also taped the play, "Pete Goes Home," for the Grade X Literature classes. It was our responsibility to provide announcers and technicians for the 'stage shows' of Kaleidoscope and this we did successfully. Later in the year a public speaking course was given to the club by Hugh Stephens who had taken the course at a conference in Brandon. We owe a tremendous vote of thanks to our teacher sponsor, Mrs. Lee, for her guidance and training.

GLEE CLUB

This year of 61-62 has been a very successful one for the Miles Macdonell Glee Club, under the excellent direction of Miss Drewrys. Among its accomplishments were: the Remembrance Day Service; a carolling session followed by a gathering at which Mr. Weiler, director of last year's Glee Club was present; the Kaleidoscope where it sang a medley of tunes from "The King and I;" and the Closing Exercises at King Memorial Church. The Glee Club also entered a choir in the Festival and won third place. All in all the Glee Club members showed fine singing ability and good adherence to practise throughout the year.

THIRD ROW: Walter Wakula, Rainer Hempel, Edwin Kroeger, Les Persicke, Jim Stadnick, Pat Brown, and Bryan Thompson.

THE SCIENCE CLUB was organized in early October. The executive elected were: Elizabeth Johnston, President; Grace McNeill, Vice-President; Ken Sirkis, Secretary-Treasurer.

The activities of the year were highlighted by several visiting speakers:

Mr. Bossenmaier, the Director of the Game Branch, Department of Mines and Natural Resources, spoke about Wildlife in northern Canada.

Mr. Marion Aftanas, a student from the Department of Psychology, University of Manitoba, spoke about the isolation experiments.

Three Flight Lieutenants from the R. C. A. F. station, Winnipeg spoke about rocketry.

The club set up the following equipment in the two laboratories

for Kaleidoscope: telegraph system, an oscilloscope, Hilsch tube, blood typing demonstrations, ammonia fountain and hydrogen diffusion apparatus.

The members of the Science Club participated in three science fairs. These were:

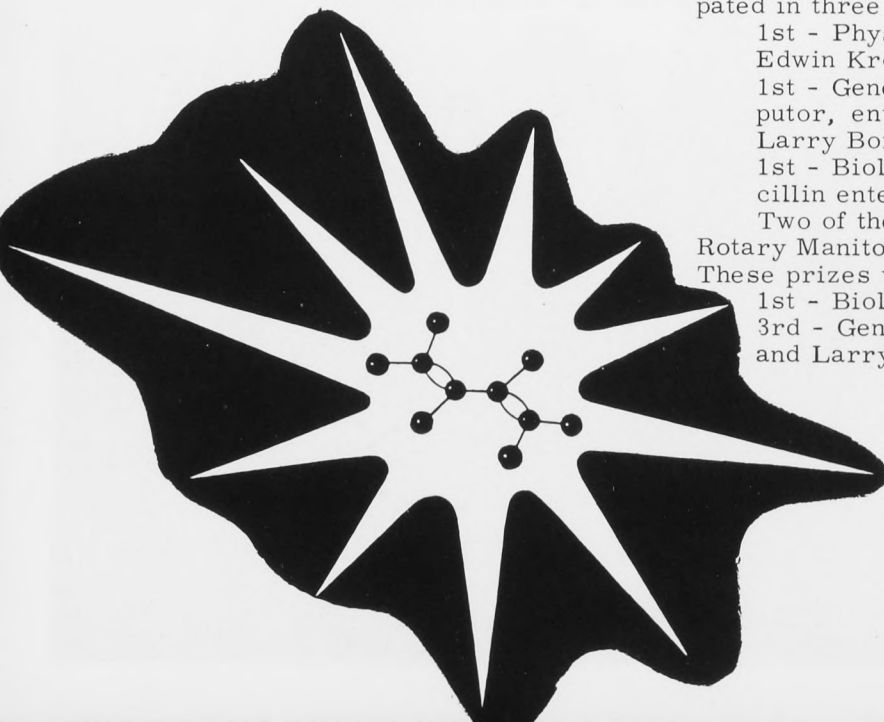

- 1st - Physics-a model rocket entered by Edwin Kroeger and Jim Stadnik.
- 1st - General Science-a Tic-tac-Toe Computer, entered by Bryan Thompson and Larry Borysyk.
- 1st - Biology-growth and extraction of penicillin entered by Elizabeth Johnston.

Two of these projects were entered in the Rotary Manitoba Provincials at Polo Park. These prizes were awarded:

- 1st - Biology-Elizabeth Johnston
- 3rd - General Science - Bryan Thompson and Larry Borysyk.

Elizabeth was one of the four exhibitors chosen to represent Manitoba at the first Canada Wide Science Fair in Ottawa.

She won third prize in the Girls' Physical Science.

CAMERA CLUB

The Camera Club had a membership of twenty this year. Mr. Joyce, the sponsor, taught the members how to print, enlarge, and develop pictures. Classes in oil colouring and picture tinting were also held.

The Camera Club was given two rooms for the Kaleidoscope. In one room, each member displayed several of his pictures. An oil coloured portrait of each person was mounted for display. A projection room was set up in which were displayed 35 mm. slides and 8 mm. movies.

The club has purchased an enlarger and various dark room equipment. We desperately need more room next year as our quarters in the physics lab. supply room were very cramped.

DANCE CLUB

Diane Saltel, Ted Chmielowiec, Sharon Trinder, Charles Reith, Lynne Fedorowick, Jim Johnson, Nola Stevens, Doug Geisel.

This year the M. M. C. Dance Club membership was made up of over two hundred members. The executive consisted of the following: Pat Pydee, President; Jim Johnson Vice-President; Trudy Korol, Secretary-Treasurer. The Dance Club enjoyed a busy year. The seniors learned exhibition dances such as the pachanga and polka, which were put on for the entertainment of the junior members. The club enjoyed dancing to the music of the Winnipeg Musical Union Orchestra, which entertained them at the school. Several of the senior members exhibited their talents on Teen Dance Party. The club also had two parties this year: a masquerade party and a beachcomber party.

The Dance Club also took part in Kaleidoscope. A bit of variety was added this year by a good selection of dances. Club members danced a roaring charleston, a lively folk dance, a comical tango, and a stately Viennese waltz.

This year the Dance Contest was won by Charles Reith and Sharon Trinder. Jim Johnson and Lynne Fedorowick and Doug Geisel and Nola Stevens placed second, while Ted Chmielowiec and Diane Saltel placed third.

VALEDICTORY

Mr. Chairman, Honoured Guests, Teachers, Fellow Graduates, Ladies and Gentlemen:

Closing Exercises... How very fast the years have slipped by. It is hard to realize that for some this service symbolizes the end of formal education. For others it is the key that will open the doors of University. But for all of us, whether we are looking forward to jobs, or whether we are furthering our education, many memories crowd our minds today. Do you remember all the things that are so much a part of school life... field days, dances, and club activities? Will we ever forget the homework, and the exams? The past years of schooling, especially those in senior high school, have meant a lot of work, but always there have been happy times and a great deal of laughter.

Today, the Graduating Class of Miles Macdonell cannot help feeling proud. But if we have a feeling of pride, we must also admit our gratitude. We haven't been able to arrive at this point solely by our own efforts.

It is natural that we should be grateful to our teachers. They have often forced us to work when we would have yielded. We acknowledge that we would not be here today without them. We are grateful to our teachers not only that they instructed us, but also that they laughed with us.

Our gratitude is also extended to our parents. It is from them that we have acquired the ideals, the hopes, and the dreams that we cherish. It is our parents who have often made sacrifices to see us attain a better education than they, themselves, received. We thank you, dear parents, for making us work. And so today you share in our achievements.

Lastly, how grateful we are to our friends. It is they with whom we shared our fears, and aspirations... our troubles, and our triumphs. We thank you for the moral support and the companionship that have made the hard tasks easier.

We hope that you - our parents, teachers, and friends - are proud also. For our success is very much your success. In the years to come, we will try to be all that you wish us to be. We will try never to violate the confidence you have placed in us by doing less than our best.

And so we turn our thoughts from the past to the future.

We face the future with a legacy... a heritage... and a tremendous challenge. Never before, has the world been so close to hurling itself into total destruction. Never before, has it been quite so capable of doing just that. But we have a heritage of democracy... a legacy of freedom. Thus we are faced with a challenge.

Do we realize that 3/4 of the world goes to bed hungry every night? Hunger, malnutrition, poverty, and disease... these are common horrors in many parts of the world. There are lands where seventy persons are dependent on each square mile of productive land... and where there is only one doctor to every four hundred thousand people.

For the students of today, this is our challenge... to establish in the world a freedom from want. We are the generation that must find a way to meet the needs of the world. We who are fortunate enough to receive an education and live in a land of freedom and plenty must care for the less fortunate of our world. Transportation and communication have so shrunk the size of the world that strangers and foreigners no longer exist. Now, all men are neighbours. It is not enough to use our education to boost still higher our already ample living standards. Instead, we must work to see that all the world is freed from want and suffering. It may mean some personal sacrifices, but we can no longer allow 2/3 of the world to remain destitute and still expect it to remain free.

The future is ours... and so is its challenge. Whatever we do in future years, or where ever we may be, if we strive to make ourselves better, the result will be a better world.

God has given us abundant opportunities to do our best... and we may be assured that it will be our best that will be required.

R. L. Sharpe expressed it this way:

Isn't it strange that princes and kings...
And clowns that caper
In sawdust rings,
And common folks
Like you and me
Are builders for eternity.

For each is given
A bag of tools,
A shapeless mass,
And a set of rules;
And each must make
Ere his life has flown
A stumbling block,
Or a stepping stone.

Marilyn Gordon.

AFTER THE BALL IS OVER

SPORTS

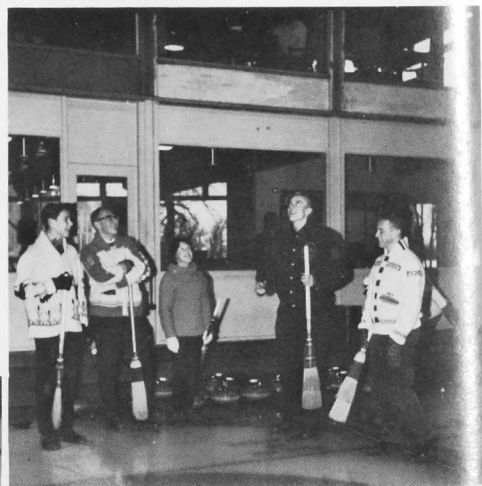

Ray Keendel, Dave Kisel, Ray Ryan,
and Mr. McGill.

When the annual curling schedule drew to a close, the three top rinks to play off for the championship were: Ray Ryan, Stan Moroz, and Ron Phillips. The final victors were:

Ray Ryan	(Skip)
Mr. McGill	(Third)
Ray Keendel	(Second)
Dave Kisel	(Lead)

Much enthusiasm was shown this year, and we hope next year will be just as successful.

CURLING

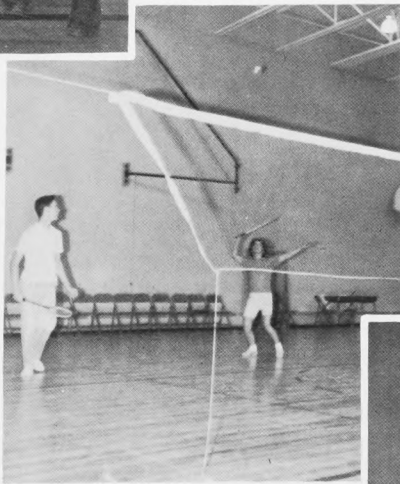

FIRST ROW: Bonnie McCallum, Secretary-Treasurer; Ed Smith, President; Ken Maily, Vice-President. SECOND ROW: Maureen Crump, Suzanne Boomer, Diane Shaver, Marilyn Knox, Beverly McLean, Judy Poley, Pat Sloan, Kathy Tonagai, Jean Bowcott, Audrey Baldoke. THIRD ROW: Margaret Blair, Geraldine Exchange, Carol Milne, Ethel Simpson, Ed Johnston, Doug Geisel, Bev Milne, Nicola Panchysak, Glennis Bennett, Paula Evans. FOURTH ROW: Rick Lowman, Roger Latta, Jim Wood, Ken Sirkis, Roy Davidson, Cliff Weber, Brian Wagg, Terry Piggott, Wayne Rekus, Pete Brykalo.

BADMINTON

The Badminton Club enjoyed a very successful year for 1961-62. A greatly increased membership totalled 70 persons. Since there was space for only three courts, playing time was limited to ten minutes per game. The club executive arranged the schedule of games while those members waiting for courts batted a birdie back and forth, struggled with homework, or played chess. Various teachers took turns supervising the badminton. A Badminton Tournament ended the term's activities. The members participated in this one game knock-out series with great enthusiasm. The winners emerged as: Girls' Singles - Bonnie McCallum; Boys' Singles - Ken Maily; Girls' Doubles - Bonnie McCallum, Pat Sloan; Boys' Doubles - Ken Maily, Ken Morris; Mixed Doubles - Pat Sloane, Ed Smith.

BOWLING

Rick MacPhail, Ken Anderson, Cheryl Simmonds, Heather Lumsden, Margaret Hamilton, and Don Orloff. Sitting is Alex Godfrey, Captain of "The Potts."

M. M. C. again had a successful bowling season. Bowling was held on Tuesdays and Wednesday at 4:30, at Lynnwood Alleys. Eighteen teams participated each trying for a place in the roll-off. The nine teams having the highest standings competed in the roll-off.

Year's Results:

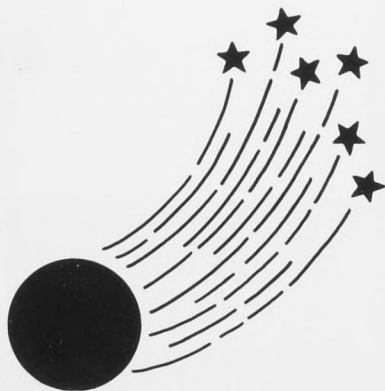

High Average	Dave Confrey 188	Janet Smith 168
High Single	Tom Hinds 320	Doreen Restowanik 327
High Double	Dave Confrey 564	Doreen Restowanik 512

Members of the winning team - "The Potts"
Alec Godfrey, Captain; Ken Anderson, Heather Lumsden, Cheryl Simmonds, Margaret Hamilton.

Roll-off Statistics:

High Single	Ken Watowich 275	Beverly Edwards 257
High Triple	Ken Watowich 658	Claire Dafoe 471

Many thanks are extended to Mr. R. Wilson, Rick MacPhail, and Don Orloff, who organized and managed the year's bowling.

FIRST ROW: Bruce Koss, Peggy McCartney, Bev Edwards, Vicki Scrutton, Dave Confrey. SECOND ROW: Bev Best, Diane Ross, Lynn Carmichael, Shirley Dudeck, Elaine Lowry. THIRD ROW: Joan Wilkinson, Lynne DeGagne, Sharon Patek, Arlene Cartlidge, Lorna Weber, Christine Boomer, Diane Saltel, Joan Wilczynski, Carole Fogg, Barbara Wilkinson. FOURTH ROW: Jim Nickarz, Al Godfrey, Tom Lobay, Rich Titarniuk, Ted Chmielowiec, Hugh Stephens, Stan Moroz, Allan Hoffman, Jim Bruce.

TRACK AND FIELD CLUB

The past ten months has been a period of famine, then fame for Miles Macdonell Collegiate's Track and Field Club. At the year's commencement, the Miles Mac Track Club virtually pleaded for members and throughout the winter, the trend of famine continued. As field day rolled around, the membership increased as many people came to whip themselves into competitive shape for the big day, May 14.

From this point on, fame came to Miles Mac, for the boys and girls of the collegiate stood out in the suburban field day. The collegiate had sixteen participants in the Provincial Track Meet on Saturday, June 2nd.

FIRST ROW: Don Hatch, Doug Brown, Jim Bakken. SECOND ROW: Jim Murray, Ed Johnston, Pete Thompson, Hugh Stephens, Rudy Neustaedter, Geoff Joyce, Monty Dow. TOP ROW: Bruce Jackson, Ed Smith.

TUMBLING

PRESIDENT: DON HATCH
VICE-PRESIDENT: ED SMITH
TEACHER-SPONSOR: MR. JOYCE

The club met every activity period at the beginning of the year, but as popularity grew, many of the members began to stay for lunch in order to practise during the noon hour. These twelve or so members improved and put on a fine display for our school tea, Kaleidoscope. Two weeks after Kaleidoscope, the group again performed before an appreciative audience, this time at the Grad. Basketball Game.

In April, a few girls began tumbling in the boys' group, and before long, the girls formed their own club, also under the direction of Mr. Joyce. Approximately twenty enthusiasts showed up for the practises, and, like the Boys' Club, they were successful and everyone seemed to enjoy herself.

Both the Boys' Club and the Girls' Tumbling Club would like to extend thanks to our supervisor and instructor, Mr. Joyce, for all the time and patience he put into making the year 61-62 a profitable one for us.

FIRST ROW: Elaine Lowry, Vicki Scrutton, Joan Wilczynski, Judy Hales, Mavis Dixon, Shirley Dudeck. SECOND ROW: Bob Jackson, Tom Lobay, Stan Moroz, Ted Chmielowiec, Conrad Gislason, Rich Titarniuk, Edward Smith, Dave Confrey. MISSING: Lynda Foster, Les Martinson.

CHEERLEADERS

This year the cheerleaders received new yellow, crew-necked sweaters, thanks to the student council. We hope our cheerleading improved with the addition. Thanks to Miss Drewerys, we also had a mascot, "Jasper," a grey donkey. Unfortunately, we lost his tail half-way through the basketball season. For the remainder of the year poor Jasper was a tailless donkey.

This year we cheered for the Girls' Varsity Basketball team also. We hope that this will continue in the future.

The regular season play began on January 5, 1962, at Windsor Park Collegiate. The Buckeyes registered their first league victory 35-31. By the end of the season the Buckeyes had won 4 games and lost 5, tying with West Kildonan for third place in the league, calling for a play-off game to determine who would go on into the semifinals. The Buckeyes made sure of this game as they salted away a 65-50 victory over the visitors.

Wednesday, March 21st found the green and gold tribe playing the second place team in the first game of the semifinals. The boys suffered a discouraging defeat 59-43. The second game of the semifinals found the Buckeyes with their backs against the wall and they rallied to take this game with a 63-51 victory. The game that counted in this series took place on Saturday night. The Buckeyes made no mistake about who was going to win. They grabbed an early lead and held it throughout the game. The final score was 76-61.

March 27, found the Buckeyes out for the big stakes, the championship, which they played their hearts out against the Normacs in the early part of the first game. The Buckeyes had a 14 point lead but by the end of the third quarter it had dwindled to 3 points, and the fourth quarter was disastrous as the Buckeyes lost their lead and the Normacs went home with a 58-50 victory.

After a very successful season, the boys of the Varsity Basketball team would like to thank the cheerleaders and all the loyal supporters for the moral support they gave the team.

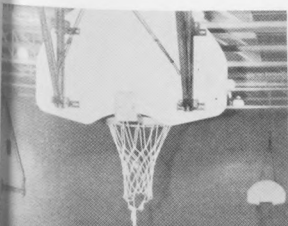

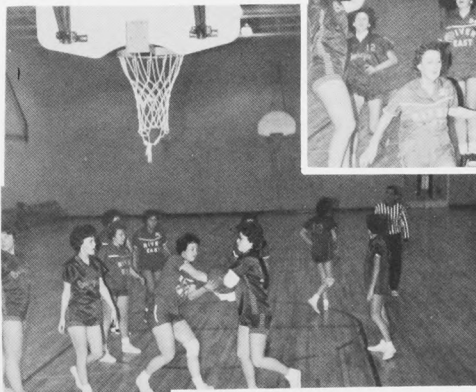

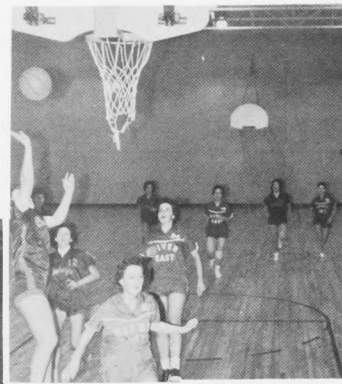

BASKETBALL

FIRST ROW: Lynda Foster, Bonnie Gislason, Betty Kostick, Pat Kostick, Captain; Joyce Mary Craven. LAST ROW: Joan Wilkinson, Mavis Dixon, Shirley Dudeck, Miss Y. Strimbiski, Coach; Fran Negrych, Manager; Audrey Baldoke, Linda Walker.

The Girls' Varsity Basketball team won 5 games and lost 3 in the 1961-62 season. This placed them in the semifinals against West Kildonan. The first game was played at Miles Mac with West Kildonan the victor. The second game was played at West Kildonan with West Kildonan once more coming out on top, thereby shattering Miles Mac's hopes of entering the finals. The girls had a very successful season, however, and deserve to be congratulated.

VARSITY

FIRST ROW: Bob Jackson. SECOND ROW: Gary McEwen, Ed Smith. THIRD ROW: Jerry Webb, Gord Murphy, Terry MacDonald, Dave Schab, Mr. L. Elfenbaum. FOURTH ROW: Dave Walker, Alvin Barrett, Allan Flatt, Dave Kisil.

The league opener for Miles Mac was at West Kildonan on October 2nd. This was a disastrous afternoon as the Buckeyes walked home with their first defeat.

The following Wednesday the green and gold spikers travelled north to River East Collegiate to play the neighbouring North Kildonan six. The game was close at the beginning but near the end the experience of the Miles Mac Club started to show as they made fewer mistakes than their opponents.

A week later Miles Mac played their first home game against West Kildonan Collegiate. The Buckeyes did not seem to have enough steam as West Kildonan gained another victory after a hard fought game.

On Monday October 18th, Miles Mac made a trip to Windsor Park. This game was Miles Mac's from the first serve until the last whistle. They had very little trouble knocking over the short St. Boniface team.

The following Wednesday the Buckeyes were host to Norwood. This proved to be a very exciting game with Miles Mac losing on the last serve. It was a well fought game all the way.

Miles Mac's first encounter with Transcona was a successful one. They dumped the green and white Furies in championship style. This was the best team effort of the Buckeyes this season.

Windsor Park travelled to the East Kildonan Collegiate and made another unsuccessful attempt to tame the green and gold team from Miles Mac. The East Kildonan lads made good use of their height advantage.

The game on October 30th at Nelson McIntyre was a thriller. The Buckeyes won the first match by six points. They lost the second match by two points. The rubber match was finally lost by the score of 20-18.

Transcona then travelled to East Kildonan Miles Mac again showed the green and white Furies who was boss. The Furies never seemed capable to rally more than two points at any time.

The final league game was played at home on November 1st against the River East lads. Our own boys had very little trouble in subduing their opposition in two straight games.

Thursday, November 9th was the big night the volleyball playoffs were held at the University of Manitoba Students' Union Field House. The Buckeyes played the league winners, West Kildonan, in their opening game. This was a disastrous night for Miles Mac as the Buckeyes were wiped out in their first game. West Kildonan was the eventual winner of the tournament.

After a successful season the Boys' Varsity Volleyball team would like to thank their faithful supporters who never gave up until the last whistle. The team is sorry they did not bring the championship home to Miles Mac but with more experience next year they hope to do better.

VOLLEYBALL

FIRST ROW: Dianne Blakely. SECOND ROW: Mr. Wilson, Barbara MacDonald, Sandra Daily, Vicki Scrutten, Miss Strimbiski. THIRD ROW: Barbara Wilkinson, Isobel Millan, Pat Kostic, Joan Wilczynski. FOURTH ROW: Shirlee Trossel, Bonnie McCallum, Marilyn Janke, Bev Edwards.

The Girls' Varsity Volleyball team did very well this year. At the end of the regular season, we were in fourth place. As a result we participated in the play-offs which were held at the University Field House. We defeated West Kildonan, which was in second place, in the semifinal game, but we lost to Transcona in the final game.

The members of the varsity team, as well as those of the freshman team, presented gifts to Miss Strimbiski and Mr. Wilson at the end of the season in appreciation of the time and effort they had put into coaching the team throughout the season.

FRESHMAN BASKETBALL

The past basketball season a first was observed in Miles Mac. For the first time in our history we had a freshman basketball team. This team was entered in a freshman league which also included Windsor Park, Nelson Mac, Transcona and River East.

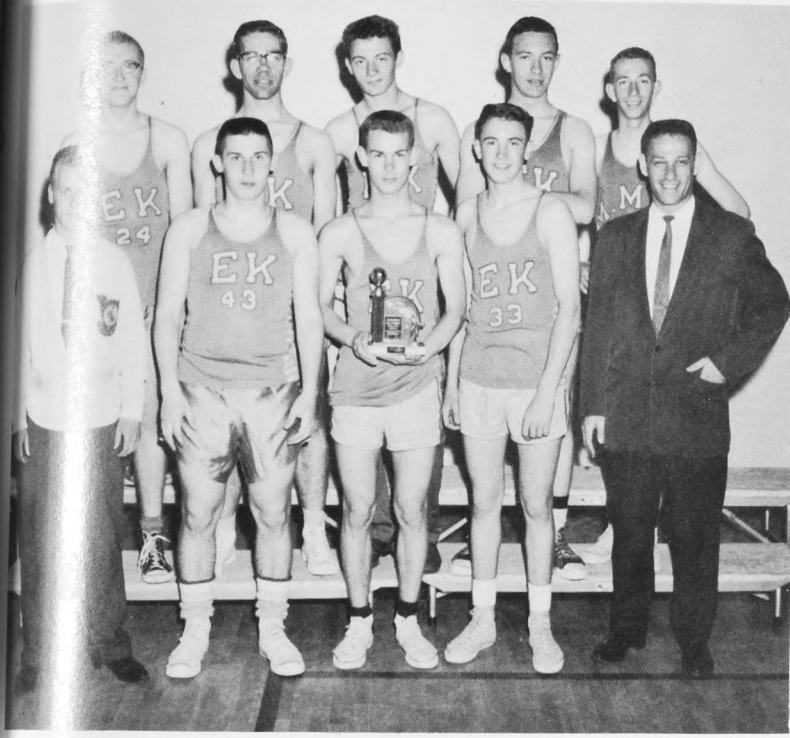

The team had an average season. In fact it was just that, as the boys won 4 games and lost 4 games, finishing in third place which was sufficient to get into the play-offs. The boys won out over Transcona and River East twice each, but unfortunately lost both games against Windsor Park and Nelson Mac.

The boys had a good time playing basketball and I'm sure they provided enjoyable games for the fans who came out to watch.

The initial year of the Girls' Freshman Basketball proved most successful for M. M. C.'s freshman girls. They finished the season as the S. C. A. A. Freshman Girls' Basketball champions for 1961-62. Congratulations girls!

FIRST ROW: Nicola Panchysak, Sharon Smith, Lyn Smith, Nora Verhagen, Co-Captain; Josie Dudek. LAST ROW: Vicki Scrutton, Manager; Jean Bowcott, Marilyn Franks, Ruth Tiede, Captain; Diane Ross, Arlene Goodman, Miss Y. Strimbiski.

FRESHMAN VOLLEYBALL

The initial year of the "Freshman" league brought much success to Miles Macdonell. The Miles Mac freshman boys ended up in first place, and managed to defeat River East for the S. C. A. A. Championship.

FIRST ROW: Gerry Webb, Manager; Joe Seepish, Co-Captain; Ken Mailey, Captain; Wally Prevalnig, Mr. Elfenbaum, Coach. SECOND ROW: Ted Chmielowiec, Del Duncalfe, Vic Ramone, Richard Sallee, Richard Deeley. MISSING: Bob Tibbs.

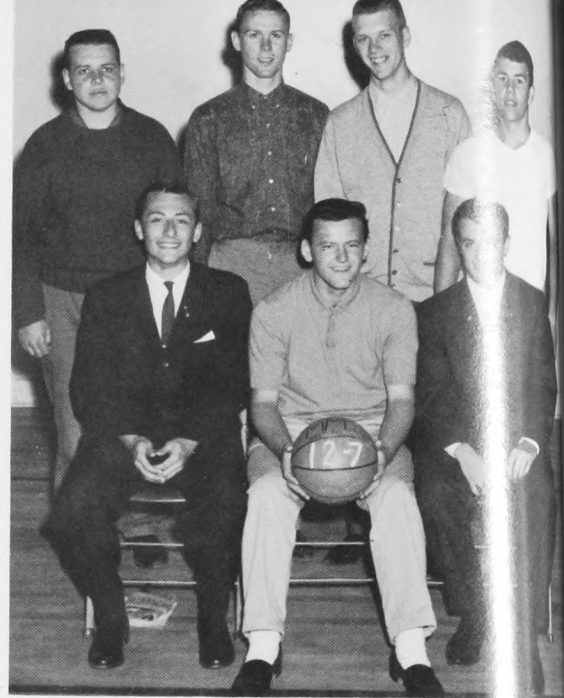

Miles Macdonell's first Freshman Volleyball team rose to great heights when it won the suburban championships. The team suffered no defeats throughout the season. Joan Wilkinson and Ruth Tiede acted as Captain and Co-Captain respectively. We would like to extend our appreciation and best wishes for the future to Miss Y. Strimbiski who coached us on to victory.

FIRST ROW: Barbara Saunders, Joan Wilkinson, Captain; Dianne Wright, Manager. SECOND ROW: Betty Harrison, Diane Shaver, Nora Verhagen. THIRD ROW: Jean Bowcott, Peggy McCartney, Shirley Dudeck, Margaret MacDonald. FOURTH ROW: Nicola Panchysak, Ruth Tiede, Co-Captain; Miss Y. Strimbiski, Coach; Betty Kostick, Audrey Baldoke.

FIRST ROW: Barb Wilkinson, Pat Sloan, Captain Vivian Reimer with Avogadro, Leona Solomon. SECOND ROW: Kathy Tonagai, Linda Wagner, Naida Stringer, Maureen Weiderhold, Shirlee Trossel, Richard Titarniuk, Coach.

FIRST ROW: Stan Moroz, Wayne Rekus, Captain; Bryan Nemish. SECOND ROW: Terry Piggott, Roy Davidson, Joe Pearn, Ed Smith, Coach.

A strong sense of duty, readiness to accept responsibility and the ability to lead . . . are some of the qualities required of an officer in Canada's Armed Forces. The development of these leadership qualities in this modern age demands the best in education and training.

The Department of National Defence will sponsor, through the Regular Officer Training Plan (ROTP), a selected number of qualified high school graduates to obtain an education through the Canadian Services

Colleges or through most Canadian universities, leading to a university degree and the Queen's Commission. This training prepares cadets for a career as officers in their chosen service, the Royal Canadian Navy, the Canadian Army or the Royal Canadian Air Force.

There is also a limited entry for those who would choose to obtain higher education at the Canadian Services Colleges at their own expense, and serve after graduation as officers in active components of the Reserve forces.

ROTP

Full details concerning the Regular Officer Training Plan, or entry into the Canadian Services Colleges, as a Reserve cadet, can be obtained without obligation from your nearest Canadian Armed Forces Recruiting Centre or by writing to the Director ROTP, Department of National Defence, Ottawa, Ontario. Closing date for candidates applying for 1962 FALL CLASSES is 1 July, 1962.
